Forest

Kõige värviküllasem aeg looduses on andnud inspiratsiooni selle sarja loomiseks. Erk roheline, soe pruun, ahvatlev punane ja küps lilla, sekka rahulik hall – see kõik ilmestab aega, mil lahkuv suvi tervitab saabuvat sügist. FOREST sari võimaldab seda lummatavat värvidemängu nautida sõltumata aastaajast. Sarja tooted koosnevad erineva raskusastmega ronimisvõrkudest, -radadest, -seintest ja -redelitest, varju ja tegevust pakkuvatest mängumajadest, põnevatest linnakutest ja liumägedest. Värvilised detailid köidavad tähelepanu, hoovid ja väljakud mõjuvad värskelt ning kaasaegselt.

Kõik **FOREST SERIES** tooted
on saadaval 2 erinevas
materjaliversioonis
